Nebraska LB594 (1989) states the following:

**Coaches, managers, umpires, referees, their assistants, or anyone who prepares the mat or gym area for cheerleading shall NOT be liable for injury or death of any participant in BJSA activities which results from the negligence of any of the above-listed individuals. Negligent act or omission shall not include any reckless, willful, wanton, or grossly negligent act of omission.

I hereby give my permission for my child to participate in the BJSA Cheerleading Program. I release BJSA from all liabilities due to accident or injury and I do myself assume this responsibility. I give permission to the team director and/or coach of BJSA to obtain medical care from a licensed physician, hospital, or medical clinic should my child become ill or injured while participating in team or league activities. I also have been provided and read a copy of the Nebraska State LB concerning the topic of negligence where coaches are concerned.

I agree to claim responsibility for all BSJA equipment issued to my son/daughter. I will return the equipment at the conclusion of cheerleading. I will be an eager supporter of fundraising activities in the manner prescribed by BJSA for the cheerleading program.
